*Buy a Shatter-Resistant Galaxy S7 Active Smartphone and Get a Samsung Gear S2 with NumberSync for Free*

**DALLAS, US – June 6, 2016** - AT&T\* and Samsung Electronics America, Inc. are bringing customers the toughest Galaxy S device for the fourth summer in a row. The water- and shatter-resistant<sup>1</sup> [Samsung Galaxy S7 active](#) is available exclusively at AT&T. Beginning on Friday, June 10, you can purchase the Galaxy S7 active at [www.att.com/galaxys7active](http://www.att.com/galaxys7active) or at AT&T stores in Sandy Gold, Titanium Gray, and Camo Green. Purchase the new Samsung Galaxy S7 active on AT&T Next® at \$26.50 for 30 months or AT&T Next Every YearSM at \$33.13 a month for 24 months when you have eligible service.<sup>2</sup>

The Samsung Galaxy S7 active gives you greater peace of mind when you're dealing with life's everyday fumbles. It has a 5.1 inch Super AMOLED display that lets you watch vivid, clear video. The phone's 4,000mAh battery is the largest of any Galaxy S device, providing up to 32 hours of talk time,<sup>3</sup> and can fully charge in less than two hours.<sup>4</sup> Check out [this video](#) to see the Galaxy S7 active in action.

The Samsung Galaxy S7 active has all the premium features of the Galaxy S7 series including a 12 megapixel rear facing camera with Dual Pixel technology, fingerprint sensor<sup>5</sup>, and Qualcomm's Snapdragon 820 processor. Additionally, the Galaxy S7 active has 32GB of internal storage with a microSD slot for up to 200GB of additional storage (sold separately).<sup>6</sup>

The Galaxy S7 active includes KNOX, Samsung's defense-grade mobile security platform, implemented at the chip level so your device is highly secure from the moment it boots up.

For a limited time, you can also enjoy this fashionable, tough smartphone along with a variety of offers that can be mixed and matched, including:

- Get the Samsung Gear S2, the first smartwatch with NumberSync<sup>7</sup>, for free<sup>8</sup> with a new two year wireless agreement and purchase of a Galaxy S7 active on AT&T Next, and qualified wireless service on both devices. With NumberSync you can send and receive texts, as well as make and receive calls, from your Gear S2 using the same mobile number as your Galaxy S7 active.
- Buy two Galaxy S7 active smartphones on AT&T Next and get up to \$695 in bill credits over 30 months.<sup>9</sup>
- Get the Samsung Galaxy Tab E for \$0.99 on a 2-year agreement when you buy the Galaxy S7 active. Take advantage of the offer for the latest Samsung tablet when you buy the Galaxy S7 active on AT&T NextSM and activate wireless service on both devices.<sup>10</sup>
- Business customers who activate or upgrade 20 or more lines on any qualified Samsung device can receive 12 months credit for MobileIron Cloud® and a one-time \$1,000 Professional Service Credit (available to new and qualified MobileIron customers).

"The Samsung Galaxy S7 active is one of the best Galaxy devices ever, and it can only be found at AT&T," said Jeff Bradley, Senior Vice President, Device Marketing and Network Services, AT&T. "We've worked with Samsung to design our most stylish active smartphone of the past four years, and it can still handle your daily grind whether you're a multi-tasking mom, an outdoorsman at the lake, or a contractor on a jobsite. Throw in the fact that this phone comes with a variety of awesome deals, and you can get a complete ecosystem of premium devices at a great value."

"The Galaxy S7 active represents Samsung's ongoing commitment to listening to customers and delivering on meaningful innovation that fits their needs," said Tim Baxter, President, Samsung Electronics America. "We are excited to be working with AT&T to introduce a device that sets a high bar on what it means to combine elegance with toughness, and gives customers a durable smartphone built for their active lifestyle."
