

Samsung Introduces New Notebook 9 Series for 2016

Samsung's incredibly slim and lightweight laptops provide a premium ultraportable experience

LAS VEGAS – Jan 5 , 2016—Samsung Electronics Co., Ltd., today unveiled two new additions to its Samsung Notebook 9 series for 2016 – a 15-inch and 13.3-inch laptops – that are extremely portable and lightweight. With its sleek yet durable design, vibrant display and seamless functionality, the new Notebook 9 series is ideal for professional and ultra-productive users who are often on-the-go.

- **Ultra-light:** Samsung Notebook 9 series offers ultra-portability, with the world lightest 13.3-inch Notebook 9 weighing less than 1 kilogram, offering ultimate ease and convenience when on-the-go.
- **Vivid and Bright Display:** The full-HD display provides superior brightness with a wide angle and low-reflective screen for a comfortable viewing experience from a variety of positions.
- **Extended Battery Life:** The 15-inch Notebook 9 provides battery life for up to 12 hours, and the Quick Charging feature enables users to fully charge in just 90 minutes. The 13.3-inch Notebook 9 offers up to 10 hours of battery life on one charge.
- **Enhanced Security:** The new security feature *Security CAM* allows users to take and send photos through an equipped camera to a pre-registered email in case of theft. The *Pattern Log-in*, *Secret Screen*, and *Record Block* features help users protect private files and information.
- **Seamless Productivity:** *Samsung Link 2.0* and *SideSync 4.0* let users access shareable content more easily and efficiently. Also, the UL (Underwriters Laboratories) verified ergonomic keyboard provides enhanced comfort and accuracy.

The New Samsung Notebook 9 series will be available in two colors, Iron Silver and Modern Pink, in select markets starting in early 2016.
